15-07-1934 to 24-02-2016

The first school under the banner of M L Convent came into being on 2nd October 1974, the Birthday of Mahatma Gandhi and of Late Lal Bahadur Shastri and the second one was added at Meerapur to the Chain in the year 1975.

At the start of these schools, few students were there but as people came to know about our schools and the best teaching standard, the rush of students poured in the schools.

With such encouragement from students as well as guardians, in 1984 the third school was established at Kareli followed by yet another school in Mehdauri in the year 1990.

It was the dream of School Management to enlarge the chain of school so as to cover the entire Allahabad City (Prayagraj). Hence, two more schools were added to the chain at Allahpur and lastly at Karelabagh (a senior secondary school affiliated to CBSE, Delhi).

To maintain the education standard in teaching besides experienced and trained teachers, a team of six senior teachers (covering all subjects in Science and Commerce group) has been deputed to check, guide and supervise all aspects in all the schools. The team visits every school once a week submits its report to management. Over and above this Additional Directors have been positioned to keep constant supervision over the happenings in the schools.

We are happy that our schools have the best team work amongst the teachers, who maintain affectionate relationship with the students. The Principal and Additional Directors are contributing their best. As a result, the schools are giving best results at Home Exams and the Exams at board levels in CBSE.

Our schools are the best example of a joint Family "M L CONVENT PARIVAR", where religion and caste feeling have no place except the only Religion of being Indian to make a strong nation. We are sure; our group will make a distinct mark in field of Education.

- Late Capt. V.K. Verma
